

# Sign Secure

## Speed up the consent process with digital signatures

**Sign Secure** allows officers to quickly obtain signatures and progress investigations with digital forms that simplify the consent-giving process from the public. Easily access social media accounts, bank details, and other personal records.

### Why Police Constabularies use Sign Secure

Providing UK police constabularies with solutions to secure digital signatures quickly, helping to optimise resources, reduce frontline demand, and achieve efficiency savings.

Negates the need to travel for victim or witness signatures.

Wide range of digital police forms available.

Improve public service and efficiency.

Free up frontline demand and divert officers to other duties.

Fully paperless, cloud-based solution.

All data stored securely in the UK data centre.

**DURHAM**  
CONSTABULARY

**“The ability to seek consent from the public to access their social media accounts, banking details, and personal medical records within minutes has been invaluable, accelerating investigations while ensuring transparency, compliance, and the efficient gathering of critical information.”**

PC Paul Vickers, Durham Police
